

We are happy to offer online giving opportunities for both one-time and recurring contributions. Online gifts make up about half of our General Fund giving and we are grateful for this level of commitment from our congregation!

This summer you will be hearing about our new app and online giving system. We listened to your feedback about how cumbersome our online giving experience has been and we believe these changes will give you a more user-friendly, easy and engaging online experience.

**What is the new online giving system?** The new platform is powered by a company called “Pushpay.” We decided to use this company based on its functionality and expertise with church giving. We do not intend to be pushy or want you to pay... we just wanted to choose the system that would be easiest for you!

**When is the new system in place?** The new system is live now.

**What’s the last day I can make a new contribution in the old online giving system?** June 30<sup>th</sup>

**Can I still access information about my contributions made before June 30th in the old online giving system?** Yes, you will always be able to log into to the old online giving system to view your contributions.

**What if I currently have recurring online giving set up in the old system?** You should have already received an email with instructions on how to set up your new schedule and cancel your old schedule. If you did not receive an email, please contact the finance office at 703-793-0026.

**How do I give to my campus?** Each campus has its own Give page. To get to the correct Give page, you will want to login from the give page for your campus’s website. You can change the campus website by clicking “choose a location” in the upper left hand corner of any Floris or Restoration web page.

**What forms of payment are accepted?** Contributions may be charged to your credit card or drafted from your bank account.

**Will I get a receipt?** You will receive an email confirmation for each contribution that is made online.

**What is the difference between giving schedules and Estimates of Giving?** Giving schedules are independent from Estimates of Giving or Commitment Cards. Floris UMC does not adjust your giving based on the cards that are received, nor do we consider adjustments made to your scheduled giving to indicate that you are making an Estimate of Giving or commitment.
